

# A whole school approach to **LOSS, GRIEF, AND BEREAVEMENT**

PPW Hospice, NHS Health  
Improvement, Psychological  
Services

## Session Aims

- To increase our knowledge of the psychological theories of grief and how they can be applied in our setting
- To explore strategies that support fostering of hope and coping with change
- To discuss the professional's role in supporting loss, grief, and bereavement

## When?

9th March  
9am-5pm

## Where?

Prince and Princess  
of Wales Hospice

## How?

Places can be booked  
on CPD manager

The relaxed welcoming and caring ethos of the presenters made you feel valued and cared for while on this training. Thank you

It has helped me to not be scared to deal with the topic of death with children and how being open and honest is the best way to help the children live with their loss.
