

Online Seminar Nature Play in ELC Training Resource

with

Dr Anne Martin & Dr Oliver Traynor
University of Glasgow

What is the seminar about?

To find out more about the content and use of the online training resource on the interconnectedness of factors that enable or hinder the implementation of nature play in early learning and childcare settings.

nature-play.glasgow.ac.uk

Date: 11th March 2025

Time: 10:30-11:30am

Where: MS Teams

What is the website about?

The website is designed to help you to understand and work through different themes relating to key target areas for creating and delivering nature based play and learning in early learning and childcare. It also offers resources which will help with the implementation.
