

Inclusion Support Meetings

What are Inclusion Support Meetings?

Inclusion Support Meetings provide a forum for discussion of wellbeing concerns for individual children and discussion of themes related to inclusion. They enable Funded Providers of ELC in Glasgow to access peer support and consultation with partner agencies including EPs, SLTs, EYSS, Wee Minds Matter and LELs.

"Great advice from other attendees and experts."

"It's brought so much information and confidence to not just me but the staff in the nursery."

What can I expect?

- ✓ Peer support
- ✓ Consultation advice from partner agencies
- ✓ Practical ideas for things you can try in your nursery to support children with additional support needs

"All attendees were supportive of each other and you always came away from these meetings feeling empowered to make a difference."

Comments from participants
