

INCLUSION SUPPORT AND DEVELOPMENT GROUP

Primary (North East)

2023-24

This is an opportunity for Primary school staff to share good practice and increase awareness of approaches which support inclusion.

The sessions are facilitated by representatives from Glasgow Educational Psychology Service (GEPS) and Speech and Language Therapy Service (SLT).

It is recommended that participants attend **all** six sessions and that there are structures in place to support sharing of their learning with colleagues in their respective establishments.

Places are limited to **two** members of staff per establishment.

"I feel more confident and knowledgeable regarding inclusion for all learners and was given great resources to turn to for more guidance and support"

"These sessions have been supportive, informative & challenged my thinking... to better support our wee people - would definitely recommend"

The group provides a forum to:

Reduce barriers and support the needs of children in your class/ establishment

Increase awareness of universal and targeted support

Increase awareness of information and approaches which support inclusive education

Consider how to promote a communication supportive environment

Discuss case-related issues with colleagues from other Primary establishments, GEPS and SLT

Implement supportive strategies and reflect on their success

Explore frameworks and resources to support staged intervention planning
