INCLUSION SUPPORT AND DEVELOPMENT GROUP

Primary (South)   2024-25

This is an opportunity for Primary school staff to share good practice and increase awareness of approaches which support inclusion.

The sessions are facilitated by representatives from Glasgow Educational Psychology Service (GEPS) and Speech and Language Therapy Service (SLT).

It is recommended that participants attend **all** six sessions and that there are structures in place to support sharing of their learning with colleagues in their respective establishments.

Places are limited to **two** members of staff per establishment.

"I am more conscious of how I communicate with children and consider their developmental age and communication skills".

"I've noticed a shift in my practice, and this has led to positive changes. My practice and language are more inclusive."

The group provides a forum to:

- Reduce barriers and support the needs of children in your class/ establishment

- Increase awareness of universal and targeted support

- Increase awareness of information and approaches which support inclusive education

- Consider how to promote a communication supportive environment

- Discuss case-related issues with colleagues from other Primary establishments, GEPS and SLT

- Implement supportive strategies and reflect on their success

- Explore frameworks and resources to support staged intervention planning
