

'Nine Steps to Nurture' – Glasgow's Nurture Award

Application Form

Name of establishment:

Key contact details:

Preferred day of the week for visit:

Helpful information on establishment set up (e.g. number of staff, children on roll, number of classrooms etc):

Please explain why you would like to apply for the award:

Please indicate documents that are attached with this application form:

Information on your establishment's vision, values and aims.	
A copy of your establishment's current improvement plan and two improvement plans (or EPRs) before this, including a nurture implementation/action plan, if available. This should include evidence of self-evaluation including with children and families.	
A copy of any relevant policies within your establishment which are considered to be relationship based/nurturing.	
Any information related to a new staff induction policy which references nurture/nurturing approaches.	

Has this application been discussed with your link Educational Psychologist:

Yes/No

I am happy for any examples of good practice identified during the award visit to be shared on Twitter and at future training events/conferences:

Yes/No

I give consent for the application and feedback form to be stored on the Glasgow Educational Psychology Service secure drive for 5 years. I am happy for the data within these two forms to be collated with other establishments' data from across the city to support future planning, training and resources:

Yes/No

I am interested in networking with other establishments:

Yes/No
