School Staff

Management Team

Depute Head Teacher

Mrs Colquhoun

Acting Depute

Mr Straw

School Staff

Primary 1 Teachers for August 25

Miss Storrie

Mrs McCann

Reception

This is the reception area where I might enter or go for help.

Staff you will see here are:

Mrs Kerr

Mrs Kennedy

School Grounds

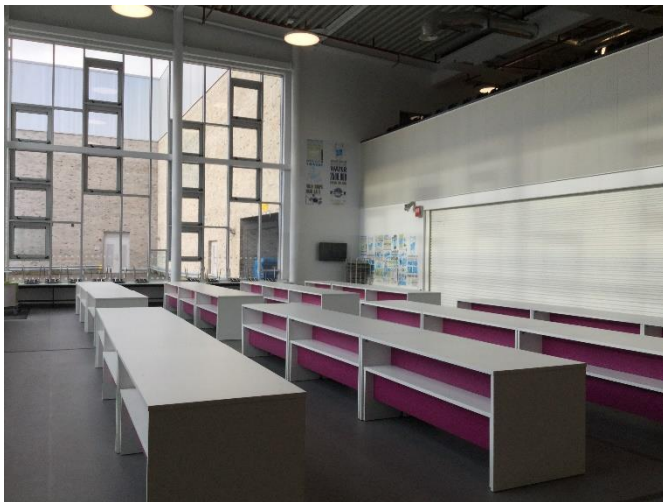

This is the entrance into the playground/school grounds. Where I will be dropped off and collected.

I can bring my scooter or bike to school and leave them in here while I go into class.

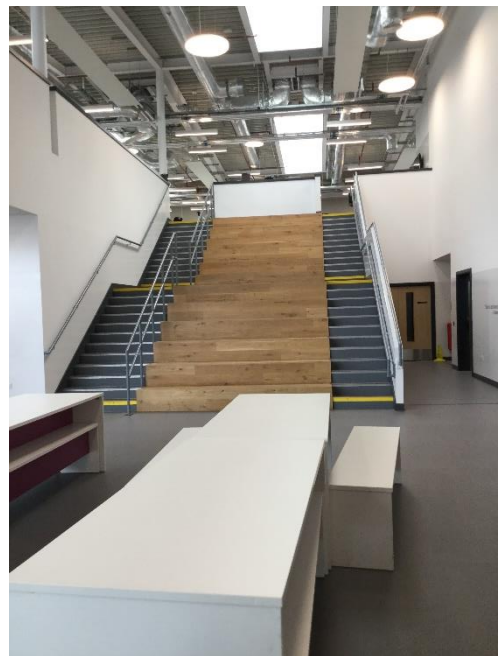

This is my new school! Where I will enter and leave each day.

Lunch Hall

This where I will have lunch with my friends. I can try new foods or bring my own packed lunch.

I will learn to dispose of my food waste and cutlery just like I already do at snack, lunch and tea.

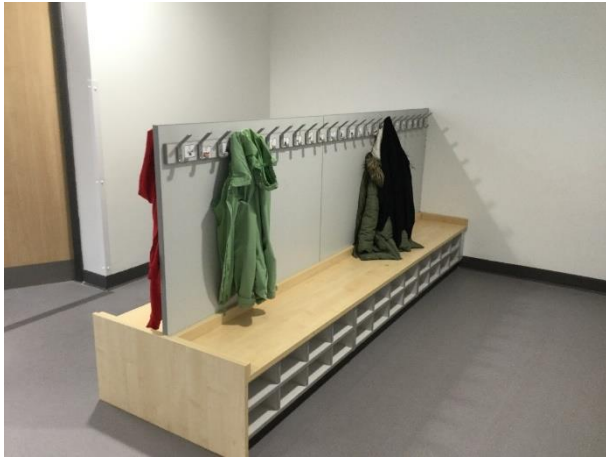

Gym Hall

I go to this gym hall often with my nursery already. So I am very familiar with the hall.

Primary 1 Space

I will have my own coat peg and shoe rack just like at nursery.

In the classroom my teacher will have a tray to keep my water bottle in.

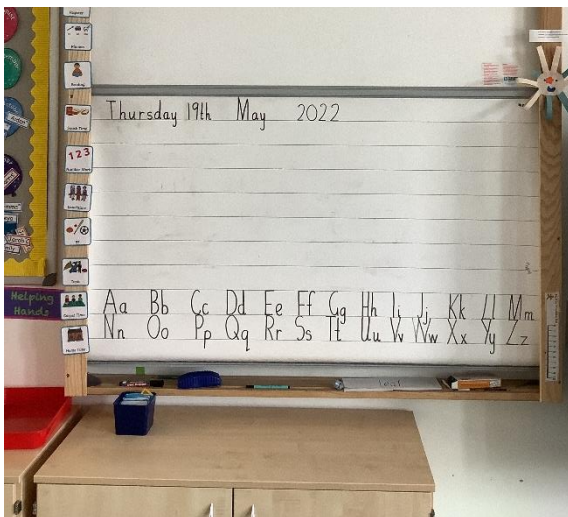

I will have my own library bag to keep. I will get a book each week to take home.

Classroom

My teacher will have their own desk and they are always there to help me.

I can find out information on the whiteboard such as the day, date, month, year, letters and more.

I will have my own desk space with my friends.

Primary 1 Space

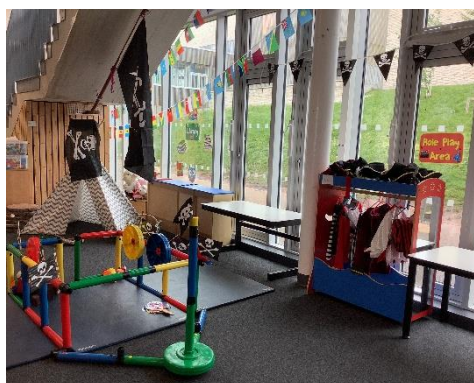

Tuff trays can be used for many experiences such as sand, Lego, numicon etc. These will be changed regularly to explore different opportunities.

This is where I can read stories and my classroom has library books I can take home.

P1 has iPads, interactive boards and laptops to develop my technology skills.

The primary 1 teachers will create fun learning experiences for me and my friends. When I start school this could become something different such as a home corner.

Primary 1 Space

This is the Primary 1 space which is located on the ground floor.

I will get to play with a range of resources and learn new things.

I will be able to develop my literacy skills in this area.

Playground/Outdoor Space

This is the playground where I can play at break time with my friends and have a snack.

Outdoor learning space :)

Toilets

If I need the toilet. I will ask my teacher and go here.

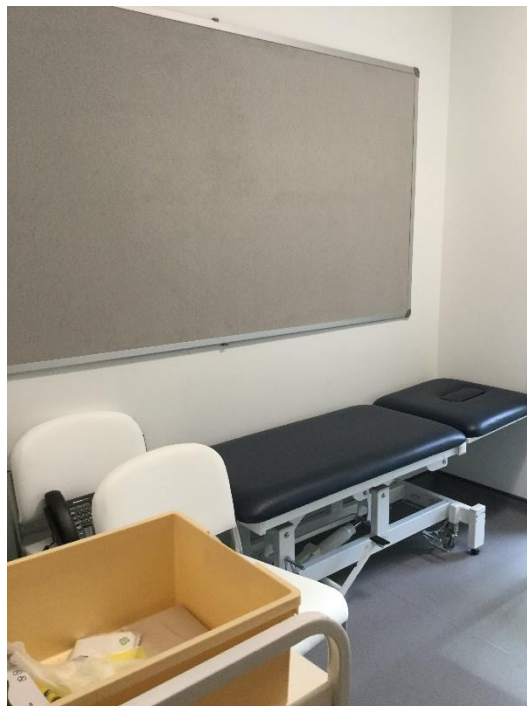

This is where I will wash my hands.

Medical Room

If I am feeling unwell I can
come to the medical room to
make sure I am ok.

School Uniform

We hope you and your child/children enjoyed looking over the booklet together.
