Beach Clean

On **Saturday 24th May** we are having a community beach clean from **10.30am - 11.30am**. If any families would like to join us please meet us at **Magnus the Viking**. Gordon from "**Cycling without age**" has organised for a free Ice cream from Beachcombers.

Electrical recycling

The campus is participating in a **recycling initiative** of old electrical devices. From **Monday 12th - Friday 16th May** we will be collecting any old phones, laptops, cameras and small electrical items such as kettles or hairdryers. Please note there are boxes within our parent's room to put these in. Friday will be the last day and all items will be collected by Optimum Eco group.

Parent/Carer Numeracy Workshops

On **Monday 19th May** we are holding **Numeracy Workshops** for parents/carers. This is an opportunity to see **some simple ideas** and learn about how you can **support or extend** your **child's learning at home**. The times are **9.15am or 1.30pm**.

Beat the street challenge 13th May - 24th June

This year we are taking part in '**Beat the Street**' which is an initiative to encourage families to get out and exercise. On Tuesday all children will receive a card which will be registered to team Largs Early Years Centre, along with a map showing you where the 'Beat the Street' scanning points are. The object of 'Beat the Street' is to collect points (prizes can be won for the winning teams). Every time you complete a walk from one scanning point to another, you will receive points and these will be added to team LargsEYC. We will be competing against other groups within the community.

You can go online and create a 'Beat the Street' account using the card details you are given. Please complete the short survey when doing so as this will earn us 100 points!! When you go online you can view leader boards and how many points you have accumulated.

We are holding an **information workshop** for parents/carers to share what we do to implement the **children rights within the centre**, our annual plan and share our **UNCRC home learning bears**. This will also be an opportunity to gather your **ideas and feedback** for moving onto Gold. This will be held in our parent's room on **Thursday 29th May 9.30am & 1.30pm**.
