Allergens

You may know that we have to be **aware of all the main allergens** that is provided within the meals at the centre. We ensure children's **dietary needs** are catered for to ensure they are **safe**. I am aware only a small number of **children bring a packed lunch**, however can we please ask that **No nut** products are contained in these.

Exclusions for sickness

As the winter approaches we are aware that **colds and viruses** do their rounds. To ensure we **minimise the risk of infection**, if your child is unwell or has a high temperature it is best they stay at home and rest.

If your child has **diarrhoea or sickness** then there is a 48 hour exclusion period. **The 48 hours should be from the last period of sickness/diarrhoea**. This is to help minimise the spread of **infection** and ensure that the children and staff are well.

Parents School Improvement Plan Consultation

Thank to everyone who was able to read through our **SIP priorities** and gave us feedback. You shared some **great ideas and suggestions** that we are keen to take forward. We will issue the feedback separately with our plans and updates.
