Mr Straw

School Staff

Primary 1 Teachers for August 26

Miss Storrie

Mrs McCann

Mrs Thomson

Reception

This is the reception area where I might enter or go for help.

Staff you will see here are:

Mrs Kerr

Mrs Kennedy

Mrs Mochrie

School Grounds

This is the entrance into the playground/school grounds.

I can bring my scooter or bike to school and leave them in here while I go into class.

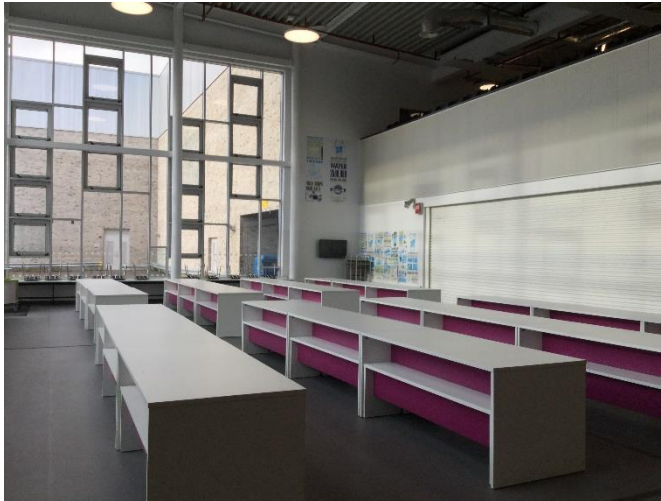

This is where I will enter and leave from school each day. My parents/carers can wait for me in the playground at home time.

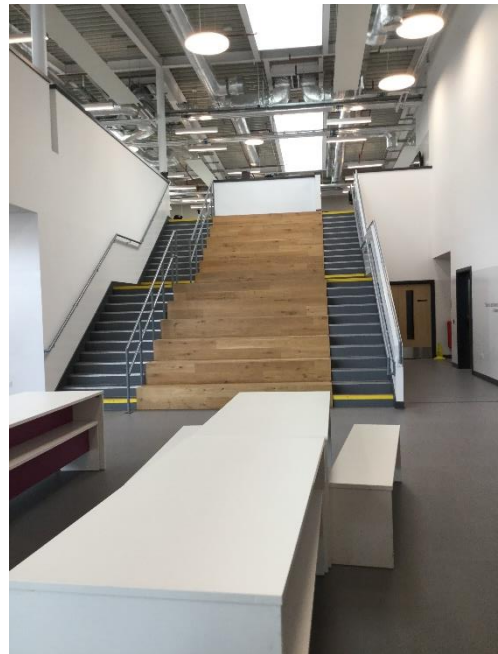

This is my new school! My parents/carers can enter this way if they need to come to the office or if I am arriving after the bell.

Lunch Hall

This where I will have lunch with my friends. I can try new foods or bring my own packed lunch.

These stairs lead to the upper plaza where the older children will have their lunch.

I will learn to dispose of my food waste and cutlery just like I already do at nursery during snack and lunch.

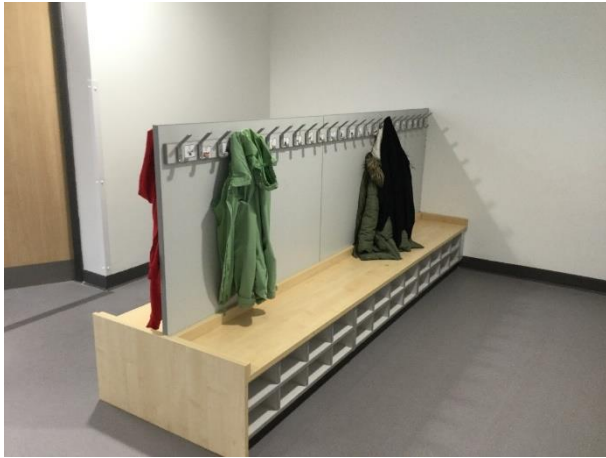

Gym Hall

I go to this gym hall often with my nursery already. So I am very familiar with the different halls within the school.

Primary 1 Space

I will have my own coat peg and shoe rack just like at nursery with my name on it.

In the classroom my teacher will have a tray to keep my water bottle in.

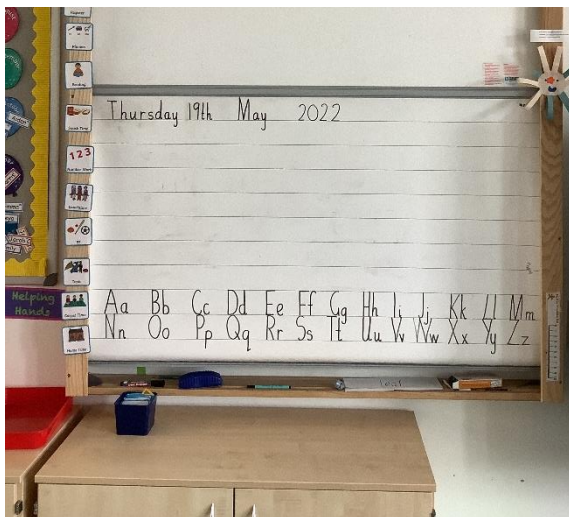

I will have my own library/book bag to keep with my name on it. This should come back and forth with me to school.

Classroom

My teacher will have their own desk and they are always there to help me.

I can find out information on the whiteboard such as the day, date, month, year, letters and more.

There will be plenty of desk space for me to sit and be busy with my friends while in class.

Primary 1 Space

Tuff trays can be used for many experiences such as small world, animals, Lego, numicon etc. Children have the choice on what to use these tuff trays for and given a variety of resources to choose from.

This is where I can read stories and my classroom has library books I can take home.

This is where I can explore in the sand and water trays. There are various resources for me to choose from.

The primary 1 teachers will create fun learning spaces for me and my friends. The classrooms also have role play areas such as a home corner and a hairdressers. These are changed frequently to develop children's play and imagination.

Primary 1 Space

This is the Primary 1 space which is located on the ground floor.

I will get to play with a range of resources and learn new things. There is a large construction area for me to create models and develop my critical thinking with friends.

There is a large area to develop creativity. This is where I can create pictures, artwork, use the playdough or practise my drawing and writing.

Playground/Outdoor Space

This is the playground where I can play at break time with my friends and have a snack. There will be classroom assistants present if I need them.

Outdoor learning space. This is currently being developed so watch this space!!

Toilets

If I need the toilet. I will ask my teacher and go here.

This is where I will wash my hands.

School Uniform

We hope you and your child/children enjoyed
looking over the booklet together and we wish you
all the best for starting school ☺

Love all of us at Largs EYC!!
