School Staff

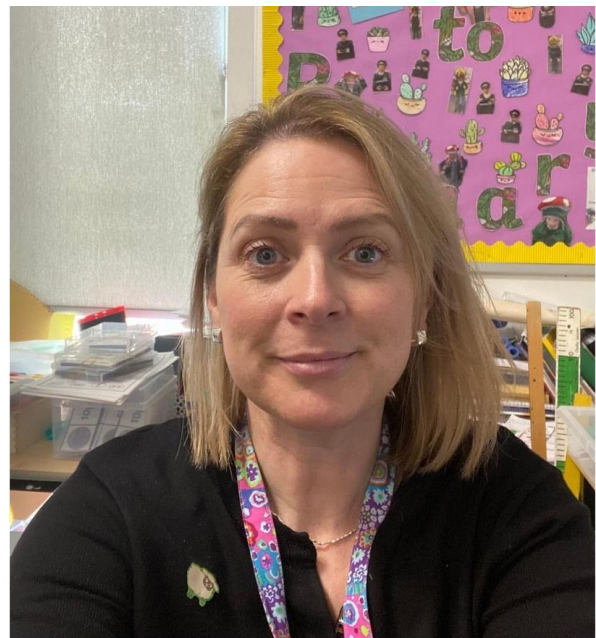

Head Teacher

Mrs Fisher

**Deputy Head
Teacher/P1 teacher**

Mrs Gladwell

P1 teacher

Mrs Corkindale

Reception

This is the reception area
where I might enter or go for
help.

Mrs Mochrie

Mrs Gault

School Grounds

This is the entrance into the playground/school grounds. Where I will be dropped off and collected.

I can bring my scooter or bike to school and leave them in here while I go into class.

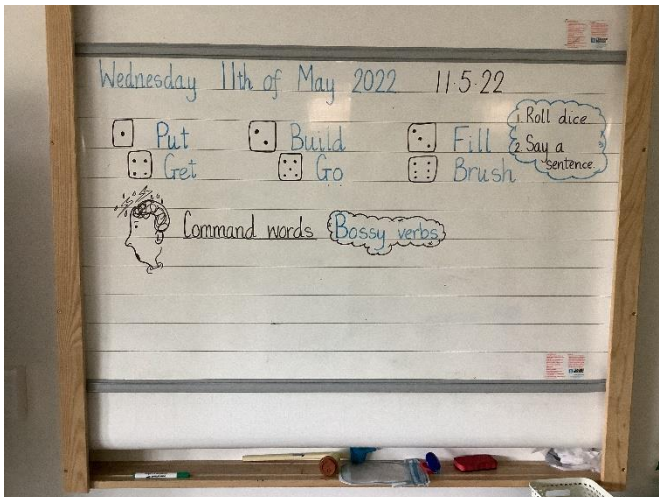

This is my new school. My parents/carers can enter here if they need to get to the reception or if I am being dropped off after the bell.

Classroom

My teacher will have their own desk and they are always there to help me.

I can find out information on the whiteboard such as the day, date, month, year, letters and more.

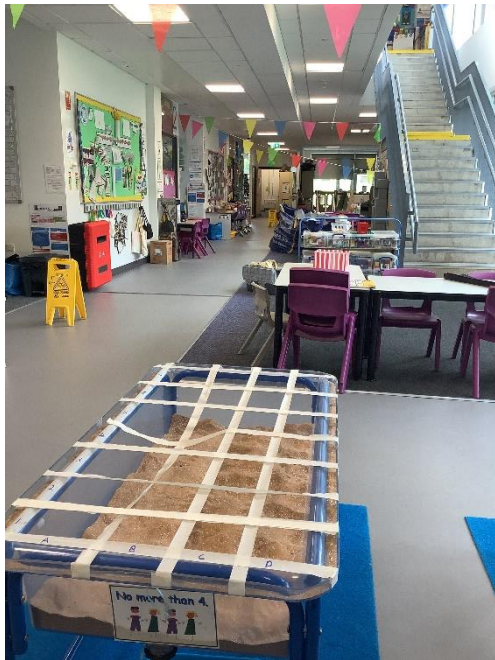

I will have my own desk space with my friends.

Primary Space

I will have my own coat peg and shoe rack just like at nursery with my name on it.

The Primary 1 classroom is at the end of this space. Other classrooms are also on the ground floor.

Lots of fun opportunities to explore and use my imagination.

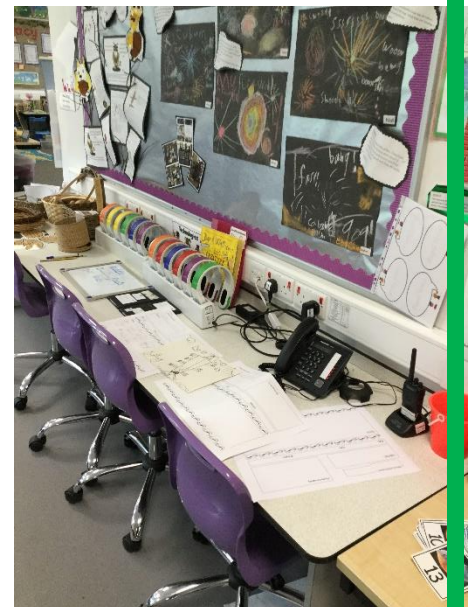

Primary Space

I will get to play with a range of resources and learn new things.

Trays can be used for many experiences such as sand, water, Lego etc. These will be changed regularly to explore different opportunities.

I will be able to develop my literacy skills in this area and choose various books to look at.

Primary Space

There are different areas set out within the open space to develop my creative and imagination skills such as role play areas and dressing up costumes.

Toilets

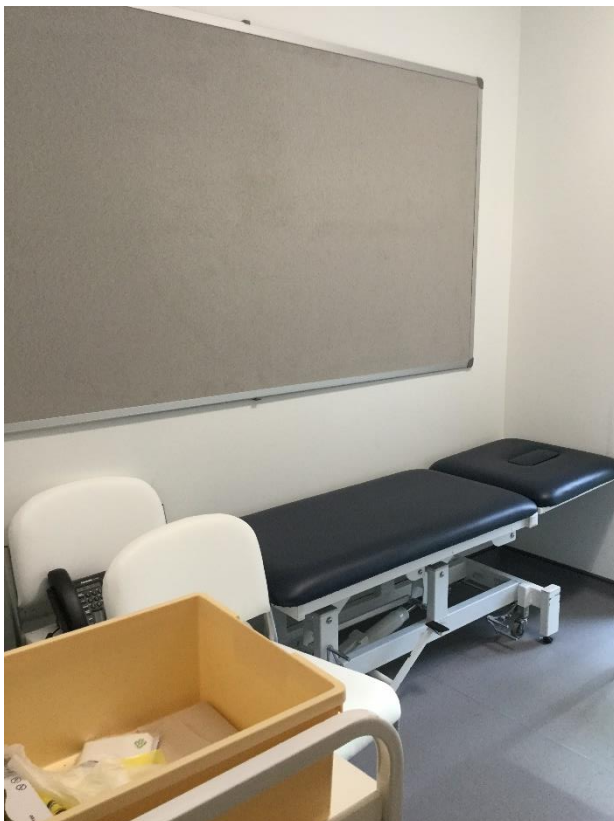

If I need the toilet. I will ask my teacher and go here.

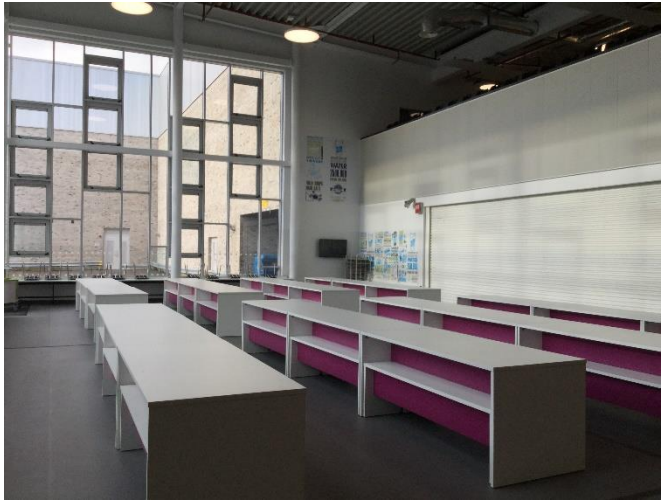

This is where I will wash my hands.

Medical Room

If I am feeling unwell I can come to the medical room to make sure I am ok.

Lunch Hall

This is where I will have lunch with my friends. I can try new foods or bring my own packed lunch.

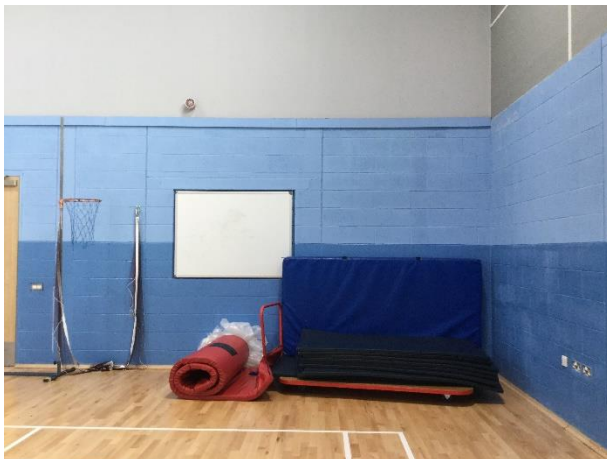

I will learn to dispose of my food waste and cutlery just like I already do at snack, lunch and tea.

Gym Hall

I go to this gym hall often with my nursery already. So I am very familiar with the different halls within the school.

Playground/Outdoor Space

This is the playground where I can play at break time with my friends and have a snack.

Outdoor learning space :)

School Uniform

We hope you and your child/children enjoyed
looking over the booklet together and we wish you
all the best for starting school ☺

Love all of us at Largs EYC!!
