

Welcome back! You're one of over 5,387 subscribers to this newsletter. Please [forward it on](#) to anyone else whom you think might like to receive it. Help us make Learning for Sustainability part of everyday life for everyone.

## Guidance & support

- Vision 2030+ report: [Find out more](#) about the national strategy for LfS in Scottish education.
- Guidance on building a whole-setting and community approach to LfS: Use our [self-evaluation and improvement framework](#) to embed LfS across your setting and its wider community.
- Ideas and inspiration: Read more about how educators and learners across Scotland are embedding LfS in their settings with our [Conversations about Learning for Sustainability](#) and [Opening up Great Learning](#) resources.

## Professional learning

The [GTCS Professional Standards](#) have LfS at their core. Use their [self-evaluation tool](#) as part of your Professional Update process.

## Courses
