Dear Parent /Carer,

Please see attached your child's **Glow login details and password**. These details are required for your child to access Google Classroom.

Google Classroom is a learning platform where work can be electronically allocated to your child and where they can have direct access to their teacher via messaging.

You will be able gain entry to Google Classroom by going onto your child's Glow Launch Pad and clicking on the invitation email within their Glow email. This can be accessed at the following website:

<https://www.rmunify.com/>

I have included the **class code** to assist you with accessing your child's Google Classroom. There is a **Google Classroom Access Guide** on our School blog and demonstration clip on our Twitter.

The class teacher will post a '**question of the week**' onto Google Classroom as part of your child's weekly homework.

If you have any problems accessing Google Classroom, please contact our school office.

Kind regards,

Mrs Brown
