Dear Parent /Carer,

Please see attached your child's **Glow login details and password**. These details are required for your child to access Google Classroom. Your child's previous Google Classroom has now been transferred over to their current teacher. You will be able to access this by clicking on the Google Classroom tile within the Glow Launch Pad. This can be accessed at the following website:

<https://www.rmunify.com/>

As a previous user, you will not have to reinstate Google Classroom. The tile will already be active on Glow.

In the event of any difficulties, I have included the **class code** to assist you with accessing your child's Google Classroom. There is also a **Google Classroom Access Guide** on our School blog and a demonstration clip on our Twitter.

The class teacher will post a '**question of the week**' in Google Classroom as part of your child's weekly homework.

If you have any problems accessing Google Classroom, please contact our school office.

Kind regards,

*Mrs Brown*
