## **Homework**

Dear Parent/Carer,

Homework will be given this week to our whole school. Homework for every class will be issued on a **Monday** and will be collected in on a **Friday**.

This will allow homework to follow the new Covid procedures of being placed in a sealed container for 72 hours over the weekend before the class teacher can look at it. Due to these new Covid procedures, we ask that you ensure that your child's homework is handed in on the Friday and that your child keeps to this deadline.

Homework will consist this year of a weekly...

- Literacy Task
- Numeracy Task
- Google Classroom Question

Your child will have the school week to complete these tasks and can be completed at a time of their choosing.

The handouts regarding Google Classroom with your child's log in are attached to this letter.

By getting the children to use Google Classroom on a weekly basis for a homework task ensures that if we do go into lockdown again that children are familiar and already using Google Classroom. Children will also receive Google Classroom lessons during their IT lessons to upskill them in Google Classroom.

We would ask for your partnership in this and that you help your child log on for the first time this session.

If you have any issues regarding Google Classroom please contact our school office where we will be happy to help.

If you have any issues regarding accessing an IT device for your child to use Google classroom and would like to seek support from SLC, we ask that you make contact with us through the school office also.

Many thanks for your partnership and support regarding homework.

Yours sincerely

Mrs Jill Laing

Maxwellton Primary and Nursery Head Teacher
