Meet the Teacher

Dear Parent/Carer,

Normally at the start of the new school year we would invite all our parents into school for our 'Meet the Teacher' event. Unfortunately, due to the Covid guidelines and restrictions in place, no parents are allowed to come into the school for the foreseeable future. We have had to think of alternative ways to allow parents to be introduced to Class Teachers at this time.

This year our teachers have been busy preparing '**Meet the Teacher**' **PowerPoints**. These PowerPoints contain a photograph of the class teacher and lots of information regarding class routines and learning.

These PowerPoints will be issued to parents on **Thursday 24th September** before we finish for the September weekend.

After the September weekend, teachers will also be **making phone calls** to all parents to keep in touch with them and see if you have any questions or queries regarding your child's start back to school.

We will also put photographs of all our staff on our **Twitter page** so that you have faces to names of staff members that may be in your child's classroom.

As well as this you will be able to see updates regarding your child's class learning on their **class blog** which are updated weekly. Please find them by following the link below and clicking on the 'Classes' tab
<https://blogs.glowscotland.org.uk/glowblogs/maxwellton/>

If you have any queries or concerns regarding your child you can always email or call our school office where someone will be able to get back to you.

Mrs Laing and Mrs Brown are also at the school gates every morning and at 3pm if anyone needs to speak to us also.

We are sorry we are unable to meet our parents in person at this time but hope all of the above help in making you feel connected to our school.

Many thanks

Mrs Jill Laing
Maxwellton Primary and Nursery Head Teacher
