## The European Day of Languages

Dear Parent/Carer,

This week celebrates European Day of Languages!

To celebrate this our whole school on Thursday 24<sup>th</sup> September in the afternoon will spend time celebrating languages.

Teachers will lead the class in looking at France and practising our French. The children will enjoy games and fun activities as part of their French afternoon.

If your child speaks a language and would like to showcase their talents during this day please do let us know.

Please speak to your child about this on Thursday evening and see if they can converse with you in a bit of French!

We look forward to a lovely afternoon and a nice way to start the September weekend!
