

## Maxwellton Nursery Class Remote Learning Newsletter

**Week Three - Week Beginning 25/01/2021**

Good afternoon to all our boys and girls and of course to all our grownups who are at home or at work and trying their very best to engage with their child's learning at home. We are all in it together and we thank all of you who have managed to comment and post photographs of your little ones engaging with the nursery remote learning experiences.

The learning experiences that we are providing for your child on Learning Journals will continue to help with your child's development.

Children learn through play and by providing your children with planned experiences is an important way for adults to support children's learning that is both enjoyable and challenging. When children play, they are learning at the highest level.

You can help by supporting your child with numeracy and literacy by counting, letter/number recognition and prompting discussion throughout these experiences.

We do look at the engagement from our families throughout the week and hope to see more of you joining us.

Here is a little reminder of how to comment and post on your child's Learning Journal:

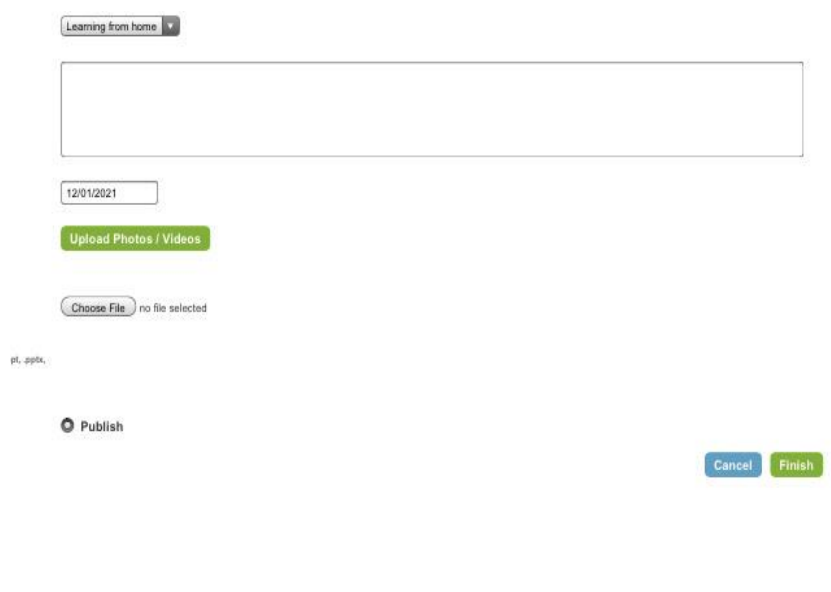

### **Step One:**

When you are on the daily posts, press the blue button under your child's name.

## Step Two:

- This page will come up next. Within the box section, this is where you can comment on what your child has been doing.
- Pressing the green button (upload photos/videos) will allow you to add photos.
- Once complete press publish and then the green finish button.

The screenshot shows a digital form interface. At the top, there is a dropdown menu with the text "Learning from home". Below this is a large, empty rectangular text box for entering a comment. Underneath the text box is a date input field containing "12/01/2021". To the right of the date field is a green button labeled "Upload Photos / Videos". Below the date field is a "Choose File" button with the text "no file selected" next to it. At the bottom left of the form is a "Publish" button with a circular icon to its left. At the bottom right of the form are two buttons: a blue "Cancel" button and a green "Finish" button.

If you have not managed yet, please give it a go. If you have any queries, please do not hesitate to get in touch:

## Phone Calls

The nursery have been in contact with you this week, if a message was left we will try to contact you again over the next few days. The team enjoyed catching up with the grownups and relished in hearing some little voices too.

## Staff Update

It is with sadness that we have had to say farewell to Mrs Wilson our support member of staff within the nursery. Mrs McKirdy will continue to support the children within the nursery environment.

Mrs Gillman – Orange Group Keyworker

Wednesday pm, Thursday and Friday

Mrs Cassidy – Purple Group Keyworker

Monday - Friday

### Twitter

The nursery Twitter feed is a good way to stay on top of what is going on in the nursery and a thread used to share relevant information to our parents. If you are not already following us and would like to do so, please find us on: @MaxwelltonN
