

MVP MODEL

Selkirk High School

OVERVIEW

We offer MVP on our S5/S6 choice sheet as 2 periods (1 double) a week.

We deliver the training across the lessons over the first term. The Mentors then use one of the double periods to practice and review and then on the 2nd lesson in the double they deliver to S1 pupils.

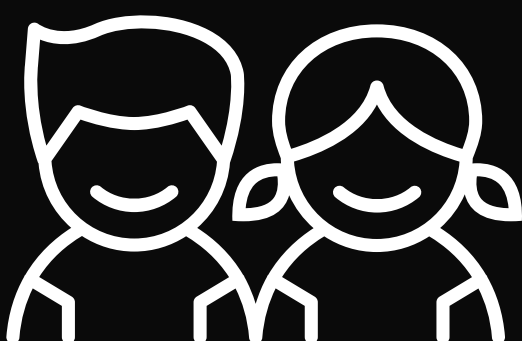

BENEFITS

- More time to practice and review.
- Staff timetabled which means they are able to give more support.
- Enables us to work through Leadership qualification.

CHALLENGES

- Ensuring enough staff are timetabled - tends just to be pastoral staff who can manage to be timetabled.
- Ensuring the S5/6 lessons work with S1 timetable which is ideally social subjects or English.

YEAR GROUPS

S5 & S6 delivering MVP lessons to S1 pupils.
