

MVP MODEL

Lossiemouth High School

OVERVIEW

S5 & S6 pupils received 2 days training in an external space in June. The pupils are then split into their chosen groups.

The training was delivered by 4 members of staff who are MVP trained. S3 tutor groups were then split and each MVP group were allocated 10 - 15 pupils.

MVP mentors have been given 6 weeks to deliver the two core sessions & 2 chosen topics. They deliver during tutor time each week.

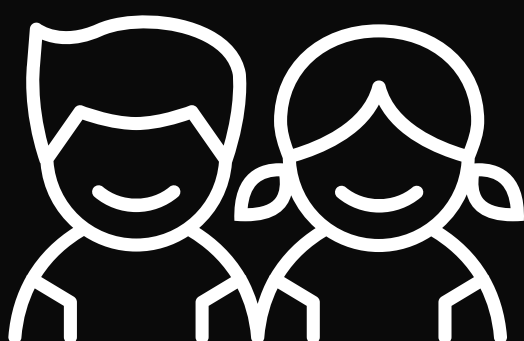

BENEFITS

- All S3 pupils are being given allocated mentors.
- Subject teaching time is not compromised.
- Mentors were part of a group they selected.
- No impact on curricular subjects for S5/6 pupils.

CHALLENGES

- Behaviour of a handful of pupils.
- MVP group could have been more organised for delivery.
- One session delivered per week so gaps between input.

YEAR GROUPS

S5 & S6 delivering MVP lessons to S3 pupils.
