

Our Improvement Agenda for 2021/22

Continuity of Learning

Review and adapt our Curriculum Rationale, inviting all stakeholders' views.

Implement Number Talks across all stages. Develop strategies and resources to raise attainment in mental agility.

Develop approaches to assessment and moderation to track and improve pupil progress and attainment.

Health and Wellbeing

Embed a whole school approach to Nurture, focusing on supporting wellbeing and relationships and contributing to closing the equity gap.

Promote an attachment -informed ethos and environment – all staff trained on Attachment Strategy.

Augmentative and Alternative Communication strategies continue to be developed and utilised in all classes.

Planning for Equity

Use PEF to fund a full-time Nurture teacher to support pupils across all stages.

Create role of Learning and Teaching Coordinator who will coordinate PEF data and support pupils across all stages.

Coordinate a group of all stakeholders to make decisions regarding the PEF Participatory Budget.
