

**Term 1  
2023**

# Welcome to our P2H Newsletter!

Please follow us on X to see the exciting things we are doing this year @RiverbankPSNC

## Welcome to Primary P2H

Miss Hendry and Miss Fraser send a great, big hello to all the children, parents and carers in P2H! The class has settled well into our beautiful, new classroom and we've enjoyed getting to know each other.

### Interdisciplinary Learning

Our Interdisciplinary Learning this term will be 'Day and Night' and this topic links to our learning in science. Keep looking up at the night sky and talking about what you see!

We look forward to using the i-pads to enhance our learning in numeracy, literacy and IDL,

### Health and Wellbeing

Our class will be focussing on the SHANARRI indicators and the Rights of the Child. We have created a Class Charter highlighting the right to be safe, the right to play and the right to an education.

## Literacy

Each week the children will be learning new common words and phonemes. They will read two reading books a week in school, and we encourage our children to read at home for pleasure because in P2H we understand the importance of reading. In writing, our genres will be recount and instructions. Our class will work extra hard on presenting written work neatly and attractively.

## Numeracy

We will be continuing with our Number Talks where we share our thinking strategies with the class. In the first term, we will also be focussing place value to 100 and addition. Miss Fraser will also start measurement. It will be a busy time in P2H!

## P.E

Our P.E. days will be Wednesday (outdoors) and Friday (indoors). Please ensure the children have appropriate clothing and footwear for both. Children can come to school dressed in their PE kits as they will not be getting changed in school. The focus for PE this term will be team building and fun fitness.

Please remember that all jewellery must be removed on gym days!

## ICT

We will be developing out ICT skills, using i-pads for Interdisciplinary Learning, literacy, and maths. We will practise logging on and logging out of devices independently.

## Homework

The children will be given reading, common and phoneme words to practice along with some maths activities on Sumdog. Homework will continue to be uploaded by teachers onto teams. However, we would ask the children to complete the homework in their jotter and return this to school on Friday.

## Key Dates for the Term

Fri 22<sup>nd</sup> Sept – Mon 25<sup>th</sup> Sept  
- September holiday weekend  
Mon 16<sup>th</sup> Oct – Fri 20<sup>th</sup> Oct  
- October holiday week
