Welcome to Primary P4C

Wow, time flies when you're having fun! We have been working hard in Term 1 and are ready for Term 2 and the run up to Christmas!

Interdisciplinary Learning

Our Interdisciplinary learning this term, 'Knights and Castles', will continue and then we will move onto learning about 'Festivals', such as Halloween, Bonfire Night, St, Andrew's Day, Advent and Christmas.

Health and Wellbeing

Our school will be focussing on the SHANARRI indicators and continuing to explore our feelings and behaviours using Emotion Works.

P.E

Our P.E. days will be Tuesday (outdoors, hopefully) and Wednesday (indoors). Please ensure the children have appropriate clothing and footwear for both. Children can come to school dressed in their PE kits as they will not be getting changed in school. The focus for PE this term will be circuits and orienteering.

Please remember that all jewellery must be removed on gym days!

ICT

We will be developing out ICT skills, using the ipads and laptops for Interdisciplinary learning, Sumdog in maths and coding.

Literacy

Our reading activities will focus on the North Lanarkshire Active literacy program for spelling, phonics and reading. The children will develop their common word and phoneme knowledge and understanding and use of the six reading strategies. In writing, our genres will be persuasive and instructions. The children will be taught grammar, spelling and handwriting on a weekly basis.

Numeracy

We will be working on our Number Talks where we share our thinking strategies with the class and mental maths. We will be continuing with the number processes (addition, subtraction, multiplication and division) and also measurement and symmetry.

Homework

The children will be given reading, common and phoneme words to practice along with some maths activities. Homework will continue to be uploaded by teachers onto teams. However, we would ask the children to complete the homework in their jotter and return this to school on Friday.
