Welcome to Primary 1H

The children are working hard and growing in confidence every day.

Interdisciplinary Learning

The topic for this term is, 'Seasons and the weather.' The children will be learning about their topic through a variety of activities and structured play sessions both indoors and outdoors.

Health and Wellbeing

The children will be exploring being responsible this term concentrating on doing things by themselves and helping others.

P.E

The children will be taking part in gymnastic activities this term. They will be developing their ability, balance, and co-ordination skills.

ICT

The children will continue to take part in a variety of games on the i-pad, laptop and the smart board.

Literacy

The children will continue to cover 2 sounds and 3 common words per week to build up their knowledge of words to help them read and write.

Story writing - The children will be encouraged to write the common words they already know all by themselves to help develop their independence.

Numeracy

This term the children will continue to count every day with their focus on subtraction. They will be exploring measurement investigating size, height and length and weight. We will also be investigating time, looking at o'clock and ½ past the hour.

Homework

Homework will continue to be issued on a Monday and should be returned to school on a Friday please.

Thank you very much for your continued support it is very much appreciated and makes a big difference at this early stage.
