

Welcome to our Primary 2H Newsletter!

**Term 4
2024**

Please follow us on X to see the exciting things we are doing this year @RiverbankPSNC

Welcome back! We hope you have all had a lovely Spring Break and are enjoying the weather getting that little bit warmer. We have a busy last time planned in P2H and are so excited about it!

Interdisciplinary Learning

During Term 4 our interdisciplinary learning will be focusing on Katie Morag and the life cycle of a butterfly. P2H assembly on the 3rd of May will be on the Katie Morag books and we can not wait to share our learning with you!

Health and Wellbeing

We will continue our work on the SHANARRI indicators, this term focusing on being included. We will also be learning about keeping our teeth healthy and continuing to look at the Rights of the Child.

Literacy

We will continue to use North Lanarkshire's Active Literacy by introducing new common words and phonemes each week. The children will also receive and read two reading books per week in class. We would also encourage the children to read at home, because in Primary 2 we love to read!

Numeracy

We will be continuing with our Number Talks and sharing our thinking strategies to the class. Primary 2H are always eager to share their thinking! In term 2 we will be focusing on Patterns and Relationships, Symmetry and Chance and Uncertainty.

Homework

Well done and thank you for all the efforts doing homework over Term 3! We are always so impressed with the children's work. The children will continue to be given reading, common and phoneme words to practise along with questions to complete on Sumdog.

Please continue to return homework folders and reading books on Friday each week.

P.E

Wednesday (outside)
Thursday (outside)

The focus for PE this term is ball games and gymnastics. The children will need warm, outdoor clothes and suitable footwear for our outdoor PE days.

Please ensure you follow the guidelines on appropriate clothing for PE days.

ICT

This term, the children will continue developing skills on the iPads and laptops by using Sumdog, Educandy and Topmarks. Children will also use the iPads during their interdisciplinary learning and are learning out to sign in and out of their sumdog.

Key Dates for the Term

- May inset day (2nd of May)
- P2H class assembly (3rd of May)
- May holidays (6th and 27th of May)
- Summer disco (20th June)
- Reports issued (14th June)
