## A Safer School and Nursery

Our aim is to ensure that our school and nursery are safe, happy, welcoming and secure for everyone.

- We ask staff and children to think carefully about their own safety.
- We lock children's entrances after the start of the school day.
- We ensure doors leading to teaching zones are securely closed
- We ask all visitors to sign in and out and to wear a 'visitor' badge in the school and nursery or grounds.
- We ask that all visitors to the Community Hub speak with a member of staff on arrival.
- We ask ALL staff to wear identification badges.
- We ask that you let us know if you are not collecting your child and let us know of any last-minute changes to collection at the end of the day.
- We ask that nursery parents and carers tell us the password used to collect their child, so that in the event of a change of adult at collection we know that we are handing over your child safely.
- We ask all visitors to follow carefully the directional signs both inside and outside the building.
- We ask you to let us know if you see anyone acting suspiciously near our school.
- We ask that all parents who volunteer to help in our school should undertake the disclosure procedure.
- We ask you to share with us any ideas you may have to make our school and nursery safer.

And in particular

**We ask everyone to be patient – good security can be  
frustrating!**
