

# Welcome to our Primary 2H Newsletter!

**Term 3  
2025**

Please follow us on X to see the exciting things we are doing this year @RiverbankPSNC

## **Welcome to Primary 2H!**

Welcome to our last term in P2! We have a busy term ahead of us as we prepare for Primary three!

## **Interdisciplinary Learning**

We will be exploring different areas of learning through the topic of Pirates. So far, we have begun creating our own pirates and understanding the different pirate roles. We

will continue to learn about direction and buoyancy throughout this topic, relating these concepts to our own lives.

P2H will be attending a class trip to Dynamic Earth. This trip will relate to their previous space topic and their science topics.

## **Health and Wellbeing**

We continue to talk about the Rights of the Child and how to keep ourselves healthy and safe while using technology.

## **P.E**

P2H have started the term learning the skills involved in rugby. P2H are enjoying taking this sport outside and are progressing well with their passing skills.

P.E. days are Tuesdays (indoor) and Fridays (outdoor). Pupils should come to school dressed appropriately on these days.

## **ICT**

P2H engage with ICT using iPads. This will be incorporated through our IDL Pirates topic as we use online maps to navigate. We continue to use iPads in other areas such as maths, literacy, and structured play.

## **Literacy**

P2H continue to follow the North Lanarkshire Active Literacy programme, reading fiction and non-fiction books. We continue to work hard learning sounds, phonemes, and common words to improve our reading and writing skills. Please continue to practise these at home.

## **Numeracy**

We continue to develop mental agility and maths fluency using number talks and mental maths, where we discuss all the different strategies to solve maths problems.

P2H have started the term revising multiplications and have begun learning division. We will also learn about fractions and revise previous topics.

Please continue to practise number work and operations at home to help with other topics in maths!

## **Homework**

Please continue to work on weekly spelling, sounds and number work. This is beneficial to pupils as they apply their knowledge of these to writing and maths topics within the class.

Homework will be allocated on Teams on Mondays and should be returned on Fridays along with the reading books.

## **Key Dates for the Term**

5<sup>th</sup> May ~ Bank holiday

6<sup>th</sup> May ~ Inservice day

23<sup>rd</sup> - 26<sup>th</sup> May ~ Holiday 19<sup>th</sup> May ~ Snapshot jotters
