

Primary 3L News

Class Information

Hello 😊 Welcome to our class news. We are a very busy, active and happy class who all love having fun and learning. We have Miss Temple on a Monday and Mrs Laird Tuesday to Friday.

We love hearing about achievements from home, holidays and good news. Please encourage your children to share these with us all! 😊

Homework

Homework is issued on a Monday and is due back on a Thursday. If your child's book is not returned, then a new one will not be issued until it is. Homework will comprise of reading, spelling and maths. 😊

Literacy

We follow the North Lanarkshire Literacy programme. We will be reading a range of fiction and non-fiction texts. We complete daily spelling tasks in lots of different and fun ways. We complete story writing once a week, on a Tuesday. We like to keep active in literacy and use technology to support our learning. We will also be learning some new, challenging grammar and will carry out handwriting tasks.

We are also encouraged to read for enjoyment in P3L. I have a large class library from my home which children have access too. Children are also encouraged to bring their own books in if they would prefer. 😊 We read every day in our class.

Numeracy

We follow the North Lanarkshire Maths & Numeracy programme and will be covering all areas of numeracy and outer maths. We will be learning a lot through play, active activities and technology!

We also love doing the Daily 10 from Top Marks to help our mental agility & completing Number Talks together as class every day! We are Number Whizz's in P3! 😊

Other Curricular Areas

We have lots to learn this year! Some of our topics include – The Owl Who Was Afraid of The Dark, The Lorax, The Romans & Space.

We will be enjoying a range of science tasks and experiments, including planting later next year,

We will be learning Health and Wellbeing & RME with Miss Temple on a Monday and she has lots of fun activities planned!

We will be looking at Children's Rights and the Global Goals through RRSA.

We love learning through play and will be doing this as much as possible. 😊
