

Social Subjects

History
Geography
Modern Studies

All subjects (geography, history and modern studies) have a TEAM

- Teachers will update the Team every week with instructions as to the tasks to be completed by the end of the week.
 - All class resources are in the **'Files'** section of the Team.
 - Pupils who are absent should go onto Microsoft Teams on their iPads and complete the work of the class at home.
 - This should then be sent by email to your teacher or handed in on their return. Pupils will be completing the same tasks as the rest of the class so this will make sure they keep up with their courses.
-
- For any additional work, or to ask any questions, please contact Ms Drennan, Faculty Head via gw11drennanolivia@glow.sch.uk.
