

Miss Docherty will be setting tasks for all S3 graphics on **Teams**. All resources will be in the files section of teams under 'home learning'. An assignment will be set on teams for pupils to submit their work through. S3 will receive 1 live lesson/online support per week followed by 1 period of directed learning.

[Tasks can also be found here](#)

## Where to find work:

- **TEAMS>FILES>HOME LEARNING.**
- Check the task (task 1, 2 3 etc) in the 'Home Learning Tasks' [powerpoint, here.](#)
- Open the folder dated that week with resources such as images, text, drawings and how to videos

## Week Beginning 15<sup>th</sup> February – Business Card

- Read through **Task 4** on the [Home Learning Tasks powerpoint, here.](#)
- Take notes on the design principle unity
- Create 2 thumbnails for your business card (remember it's double sided!)
- Annotate your thumbnails where you have created unity
- Use keynote (or whatever app/program you like) to create your final design

## Extension Task – Orthographic Sketching

- Choose an everyday product in your that you can take apart and has at least 3 separate parts to it (something that you can put back together easily – please don't break things for this task!) For example, a water bottle.
- Sketch each of the parts orthographically (plan, elevation and end elevation).
- Sketch a title block in the bottom right hand corner of your page. Watch this video to help you <https://www.youtube.com/watch?v=xuVd5GuJoG8>
  - Make sure your sketches include any hidden detail and centre lines.
  - Your sketches should be in proportion
  - Remember to use construction lines first, then outlines  
<https://www.youtube.com/watch?v=nca-pjrwfXs>
  - This should be done on blank paper and without a ruler!
