

## SENIOR PHASE - In School Learning Timetable

Some of our senior phase pupils will be in school from week beginning 22<sup>nd</sup> February to complete practical coursework and/ or assessment that they are unable to do at home.

Lessons will be taking place in the following subjects therefore it **only** those pupils who study one or more of these subjects who may be in school next week.

Drama	Music		Spanish	German	
Art	Design & Manufacture	Graphics	Practical Electronics	Practical Woodwork	Metalwork
Admin & IT	Computing Science	Games Design		Practical Cookery	

If your child is due to be in school next week they will be contacted by their subject teacher(s) who will give them details of the day(s) and time(s) of their learning sessions.

Learning sessions last **up to 3 hours**: 8.45am – 11.45am and 12.15pm - 3.15pm (2.45pm Friday)

Where the sessions do not last 3 hours this will be made known to your child.

It is **essential** that pupils are checking their emails and Teams messages **regularly** in order that they receive this information.

When pupils are not in school they will be expected to continue with their remote learning timetable as normal.

Timetables showing when subjects are scheduled next week are shown below - one for S4 and one for S5/6.

**(Please NOTE that pupils should only attend at the times given to them by their teacher and NOT at every time their subject is on the timetable)**

These timetables are flexible and minor amendments may be made from week to week. We will, of course keep yourselves and your children informed.

If you have any queries regarding this please contact the school.
