Week Beginning 1st March

All previous work (photography and drawing tasks) should be sent to your teacher. It's important you send your work for feedback and so you don't fall behind! A lot of the tasks follow on from the previous. Thanks to everyone who has already sent their work.

We're now moving on to look at another artist – Pablo Picasso.

Task 1

- Find 6 facts about Pablo Picasso. Send these to your teacher.
- Use the internet and you tube for research
 - <https://www.bbc.co.uk/bitesize/clips/zwyr87h>
- Next week using this knowledge you will create a piece of work in the style of Picasso or Van Gogh
 - You get to choose!!
