IPad Drop in

Please remember that Ms Lamont & Miss Edward can only help during break or lunch, if they do not have a class.

Broken IPads

If you have broken your iPad, you must let Ms Lamont know as soon as possible, in person or in email.

You will not be issued with a replacement straight away – this will take some time to organise.
You should inform your teachers if you require paper.

IPad Support

Key things to remember are:
If you've no internet, you need to first make sure you know your computer username and password.
If you do not know your password, as a member of staff to help you reset it.

Then, close all of the apps on your iPad.
Go to Settings – Safari – Clear History & Data.
Turn the iPad completely off.
Turn the iPad on.

Go to Safari, click on the BBC icon and this should make the proxy pop up appear.
Enter your computer username and password.
Go back to Safari, and you should now be online!

If this pop up keeps appearing, that means you're not entering something correctly!

'Ahv no got my iPad'

If you are new, or you are an S1 who missed their iPad roll out day, please just be <u>patient</u>.

Miss Edward/Lamont will call you out of class when they have the time and required info to set you up with an iPad.

Please do not visit to say you don't have an iPad – we know!
