

All resources can be accessed via Microsoft **TEAMS**.

## Private Sector

- Read the powerpoint on Teams detailing the different Private Sector organisations that exist.
- Using Word, create a newspaper article detailing the background and career of a famous entrepreneur. Include a photograph of them alongside the logo of one of their famous businesses.

## Public Sector

- Read the powerpoint on Teams detailing how Public Sector organisations work.
- Produce a powerpoint detailing how the public sector differs from the private sector including information on how they are funded, what they provide and how decisions are made within them.

## Third/Voluntary Sector

- Read the powerpoint on Teams detailing the features of third / Voluntary / charity sector organisations.
- Research an organisation from each of these that operate in the local area and detail what they do. Provide any other interesting information that you can find including links to their websites or newspaper articles about them

## Franchising

- Read the powerpoint on Teams detailing the features of a franchise.
- Write a report of 200 words detailing the arguments for and against becoming a franchisee in McDonalds(<https://www.mcdonalds.com/gb/en-gb/franchising.html>). Use the information from this website and knowledge you have gained from class and the powerpoint you have just read.
