Faculty of Modern Languages

New Languages, new beginnings in S3!

This week we have been delighted to offer our new S3 the option to continue their language-learning in the language of their choice. Lots of engaged and happy learners embracing French, German and Spanish!

Auf Wiedersehen! ¡Adiós!

Last week we said a heartfelt 'Danke!' and Gracias! to our language assistants - Maru and Sophie - they have been so helpful and supportive of our learners and opened their eyes to Spanish and German culture too.

Félicitations! ¡Felicidades! Gut gemacht!

S1 students: Erin Forsyth, Deborah Ewetade and Erin Forsyth have each won an Amazon voucher for being the top 3 students in Rosshall Academy for the recent Glasgow-wide Languagenut competition – a great achievement!

Nutrition Tip

Everyone should be drinking around 2 litres of water **every day**

3 reasons for drinking enough water

1. It can improve your memory and your mood
2. It can help with weight maintenance and filling you up so you don't snack
3. It can improve exercise performance

Hydration impacts the **brain**, as well as the **body**, and research has shown that even mild dehydration may have a negative impact on moods and may heighten anxiety.

A lack of water may also increase the risk of a headaches or migraines so make sure you drink lots of water and stay hydrated!

Culturally Inclusive Curriculum

This week all teachers and pupils have completed the Culturally Responsive Curriculum survey during Personal Support to give feedback and develop a more inclusive curriculum that reflects our community. Thank you Mr McCrossan
