Glasgow University's S4 (new S5) Taster Week

Dear parent/ carer,

You are receiving this letter as your pupil has signed up to be part of **Glasgow University's S4 (new S5) Taster Week**. I am delighted they have done so as it is such a fantastic opportunity to gain more information and experience of university, particularly as it will involve two campus visits to the university itself.

As the new S5s do not return to school from study leave until the day that the programme starts, I am sending this letter to both give you notice of the week, sign-post you to information and to, importantly, receive your permission for your pupil to attend the week.

During the Taster Week Pupils will experience:

- Two days on Glasgow University campus
- Three days joining live academic sessions online (facilitated in school- attendance for these is mandatory to take part in the Taster Week)

The Taster Week runs from 6th- 10th June. On the Monday (6th) and Thursday (9th) pupils will be on the university campus. Transport to and from the university will be provided via the school mini buses for the campus visits elements. For the other three days pupils will be facilitated in a room at the school and will access sessions via iPads (they will not attend timetabled classes).

I would be most grateful therefore if you could complete the online permission form to confirm your are aware of the week and you consent for your pupil to attend:

<https://forms.office.com/r/iz7PpwbMwK>

In the meantime, please contact me at the school on 0141 582 0200 or via email: gw15clellandrobert@glow.sch.uk if you have any questions about the Taster Week.

More information can also be found at the Glasgow University website:

<https://www.gla.ac.uk/study/wp/tasterweek/>

Sincerely,

Mr Clelland
