S6 Focus On Your Future Class- Attendance Letter

Dear Parent/ Carer,

You are receiving this letter as your pupil has a poor attendance record at the dedicated Focus On Your Future class on a **Thursday, period 6 and 7.**

This class is a dedicated time that all S6 pupils have for them to be supported in researching, deciding on and applying for their desired post school destination. There are three groups on offer: University/ UCAS, College (looking to apply to college) and Employability (preference to get a job straight from school).

These are timetabled classes with dedicated school staff leading them, often with external speakers coming in to support and contextualise post-school options. It is particularly valuable as S6 pupils do not have a dedicated Personal and Social Education (PSE) class. Additionally, historically there is a direct correlation between poor attendance for the Focus on Your Future classes and difficulty in securing a stable and successful post school destination.

I would appreciate it if you spoke with your pupil to ensure improved attendance.

If you have any questions regarding this matter please do not hesitate to contact me.

Kind regards,

A handwritten signature in black ink, appearing to read "R Clelland".
