Dear Parent/ Carer,

I wanted to make you aware that your pupil has been offered the chance to hear from the Social Mobility Foundation next Wednesday. A representative from the SMF will speak to a group of our highest achieving pupils about the Aspiring Professionals Programme on Wednesday 23rd Nov during Personal Support time (9.35-10am).

This is something that Rosshall pupils have been involved in for a number of years. Put simply- it helps pupils think about their future and looks fantastic on university applications. It involves lots of (optional) things, including work place visits, mentors etc- more information can be found on the SMF website (link below).

Pupils have been informed via email but I feel it is also useful for you to know about this, in case it is something you want to discuss and promote at home. I am keen that our highest achievers are supported and aware of such opportunities.

There is no pressure to get involved but I am keen you at least know about it- pupils can email me directly to say they are interested, or even just turn up on the day.

Should you have any questions, please do not hesitate to contact me at the school.

Sincerely,

Mr Clelland
