**Invitation for pupils to attend All in Glasgow information session- Tuesday 19<sup>th</sup> November at 1130**

Dear parent/ carer,

I am keen to share information with you about All in Glasgow.

All in Glasgow is a partnership of 17 specialist employability organisations, working together to provide a varied employment support offer to the people of Glasgow.

We believe that there are lots of potential routes through All in Glasgow for your pupil to consider, as they are at the stage where they are considering their post-school options.

*All in Glasgow recognises that people seeking support to access employment often face a wide range of barriers. The service brings together many specialist organisations, so regardless of the specific barrier someone is facing, they can be assured of the right support for them.*

We have arranged for a representative from All in Glasgow to come to school on **Tuesday 19<sup>th</sup> November at 1130 (start of period 4)** to share these opportunities with pupils with the aim of ultimately helping pupils apply to these excellent opportunities.

It may be the case that your pupil struggles to attend school- we are determined to support all pupils, irrespective of their attendance. Please encourage your pupil to come along to this information session. You/ your pupil may already have received an invite through our school Careers Advisor Louise Fulton.

Should you have any questions about this, please contact me via the school office (0141 582 0200).

Many thanks

Mr Clelland
