

ImpactPlus Subscription

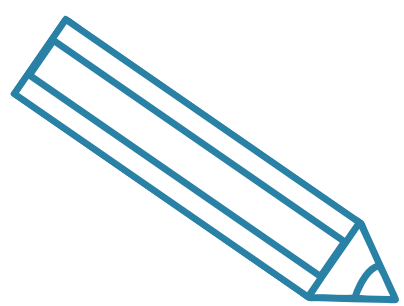

Who is it for?

Class teachers, senior leaders, central teams and all staff who want research-based resources to inform great learning and teaching.

What is being offered?

Access for 100 staff per local authority to ImpactPlus resources, designed to empower teachers to make well informed decisions about learning, teaching and curriculum design, including:

Sketchnotes- user friendly, visual research summaries that can be used as a starting point for discussion and for sharing good practice

Digital workbooks and professional learning films- providing greater detail, research links and step by step approaches for a single topic or concept to use in the classroom

Interested?

If you would like access to ImpactPlus resources, please contact juliet.lunniss@edinburgh.gov.uk or your SEIC QIO.
