

# Equity Network Sharing Events

## Who is it for?

Senior/middle leaders keen to focus on self-evaluation related to the equity context and improve outcomes for young people.

---

## What is being offered?

Schools/settings will share approaches to equity that have improved outcomes for children and young people. Each session will consider a key theme such as attendance, participation, engagement or attainment and explore the successes, challenges and opportunities encountered along the way.

**27 April 4-5pm**

### Engaging Families to Support Learning

Beanstalk Family Nurture Centre,  
Fife

**25 May 4-5pm**
