Did you know?

SEIC can support you and your school/ELC to connect with other schools/ELCs exploring similar focus areas and provide 1-1/small group opportunities to collaborate. Regular Connector sessions for SLT and staff will explore key themes and look at how other schools/ELCs have made progress.

Interested?

Please [click here](#) to find out more and register your interest. Places are limited, please note your interest by 23 May. More information will also be available via your local authority. Successful schools/settings will be notified by Tuesday 7 June.
