January 2026

St Angela's Curriculum Newsletter Pla

Numeracy and Maths

- This term we will develop our knowledge of subtraction within 10 to include writing number sentences and solving calculations.
- We will focus on teen numbers, identifying numbers before and after, as well as sequencing numbers.
- We will begin to identify coins up to £2 and apply addition and subtraction skills to give exact change to 10p.
- Children will use appropriate language to compare length, mass and capacity of different objects.

Literacy

- We will continue to build our phonics knowledge, learning double sounds and applying these sounds to read and write simple words.
- In Reading, we will be making predictions, sequencing events and answering questions to show our understanding.
- We will practise our talking and listening skills by presenting and delivering a short talk about our interests.
- We will keep developing our writing by having a go at writing independently, using connectives and common words to create longer sentences.

IDL

- This term we will develop our understanding of people who help us and explore the world of work. We have some guest speakers who will come and talk to the children about their jobs.
- We will explore materials in science and through our outdoor learning experiences. Through our Expressive Arts we will be making links to Scottish culture and exploring some Scottish traditions.

Health and Wellbeing

- We will be learning about our bodies through our Hospital role play and what we can do to keep them safe and healthy.
- Our PATHS programme will help us to develop our understanding of our feelings and emotions.
- We will focus on developing our balance, sequencing skills and movement through dance and gymnastics.

Important Class Information

- Homework will be issued on SeeSaw on a Monday. Can all homework folders and reading books be handed back on a Friday. Please let us know if you require a new SeeSaw code.
- Homework club run every Wednesday 3-4pm, where a teacher will be on hand to offer support if required.
- P.E will be on a Thursday (outdoor) and a Friday (indoor). Muddy Movers takes place on a Tuesday please send kits on for this day.
