Health Week Arrangements

5th June 2026

Dear Parent/Carer

We are holding our Health Week from Monday 8th – Friday 12th June during which a variety of learning experiences will take place. Children are welcome to wear leisure clothes every day (no football colours) to school and should also ensure they have suitable footwear and a jacket. Some activities will be indoors and outdoors so being dressed appropriately for all weather conditions is vital.

Sports Day Arrangements

Our School Sports Day will take place on Wednesday 10th June commencing at 1.30pm. Parents and carers are welcome to meet us up at the rugby pitch and move around the stations.

Children will be led by staff and P6&7 leaders from the school to the rugby pitch and participate in their activities as part of their House.

We kindly ask that parents and carers remain away from the gate at the rugby pitch as the children depart and return to school in the same format as arrival. No child will be dismissed prior to 3pm from the school as per our usual system. In previous years, parents have approached staff to take children home. Our Risk Assessment does not permit this to happen, and we are asking that you do not approach any staff to discuss this. Staff should be permitted to safely escort children in and out of the grounds.

Following the safe exit of all the children from the pitch then we ask that parents/carers then depart. Please do not depart at the same time as the school or visit the office to ask for early departure.

Upon returning to school, we go into the gym hall to celebrate the announcement of the winning House and have an ice lolly.

If the weather is wet and unsafe for Sports Day to take place, then we will issue a message via ParentsPortal. It will not be rescheduled. No dogs are permitted.

Kind regards

Lorraine Leonard
