

# Mythical Journey

## South Lanarkshire Libraries Summer Reading Challenge 2025

South Lanarkshire Libraries are proud to present 'Mythical Journey', our Summer Reading Challenge 2025! In previous years, our Summer Reading challenges have been in partnership with The Reading Agency, but this year we've decided to branch out and create our own.

As always, the challenge is for school-aged children and is completely free. All that's required is a library card.

Children will be able to set their own challenge of how many books to read during the summer break, and will receive rewards for doing so. They can choose to borrow any book from our libraries to help keep their literacy levels up in readiness for the new school term.

Mythical Journey launches in all of our libraries on Saturday 21st June, and runs until 16th August - giving children plenty of time to read for enjoyment and get rewards.

### How it works:

- Visit any South Lanarkshire library on or after Saturday 21st June (children should bring their library card, or easily become a member if they don't have one)
- Ask staff to sign up for Mythical Journey and receive a 'Reading Map' which has loads of activities to complete.
  - Borrow up to 6 books to read - children can record their progress on their Reading Map
- Rewards are given after 3 books, 6 books and 10 books, although they can read as many or as few as they choose.
- Our libraries will also have free Mythical Journey themed craft and activity sessions (ask library staff for details).
  - After the challenge has finished, children will receive a certificate at school.

There's no need to be bored during the summer break - come and visit our libraries to see what we have to offer and enjoy your free Mythical Reading Journey!
