

Dear Parent/Carer,

Please find a reminder/instruction on how to access Google Classroom for your child.

Visit the Glow sign in screen <https://glow.rmunify.com/>

You can find this by searching 'glow login' and it should be one of the first results at the top of the search page.

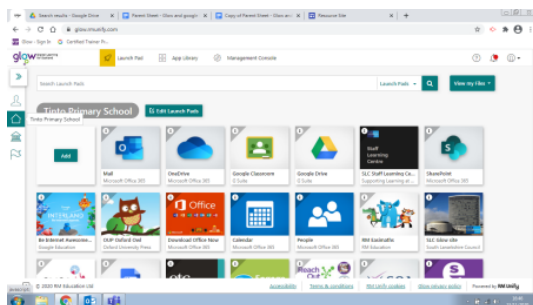

Then enter your child's username and password in the boxes shown. They will have used this in school. Check with your child if you don't know this or contact the school office.

A screenshot of the Glow Sign In screen. It features a dark background with white text. At the top, it says 'Sign In'. Below this, there are two input fields: 'Username or Email Address' and 'Password'. The 'Username or Email Address' field has a placeholder text '@glow'. Below the password field is a checkbox labeled 'Remember my username'. At the bottom, there is a blue 'Sign in' button and a link that says 'Forgotten your password?'.
