# SCHOOL OF EDUCATION VISION SCHOOLS (SCOTLAND) IN HOLOCAUST EDUCATION

## Starting in January 2019

### Postgraduate Module in Citizenship and Holocaust Education

**A Master's Level (level 11) Professional Learning opportunity for primary and secondary teachers on Holocaust and Holocaust education in relation to government policies, citizenship initiatives and wider philosophical, socio-political, religious and cultural perspectives.**

**Who is it for?** This module is aligned with the contemporary Scottish context of Curriculum for Excellence and is designed for educators with an interest in Citizenship and Holocaust education.

**What will I learn?** You will develop understanding of key issues in the discourse and effective teaching pedagogies for teaching controversial issues and examine how Citizenship Education can be explored through Holocaust Education.

**Where does it take place?** This is a blended learning opportunity, so some of your work will be online, and some will be face-to-face in our Paisley campus and at other sites, such as museums, for example.

**When does it start?** The module will start in January 2019 and run until April 2019.

**Will I need to pay for this module?** Yes, normal fees will apply.

**How do I find out more?** Email: [Jane.caffrey@uws.ac.uk](mailto:Jane.caffrey@uws.ac.uk)
