Hear All About It!

P5a Pupils have been working hard to create a newspaper

P5a pupils have been thinking of exciting ways to use the writing and ICT skills they have been learning in Primary 5. With the help of Miss McMillan they are starting a newspaper that will allow all children and parents to see what classes are learning about within Newark and giving the chance for Primary 5 to use their skills. We have lots of different roles within the class to pull it together.

Pick up your litter!

Newark Primary has been learning about litter and why it is important. Please pick your litter up if you are in Newark so we will get the green flag.

BREAKING FAIRYTALE NEWS

The P1 have been visited by a dragon. There is bad news in fairy tale land. The dragon sent them a letter that they are doing a great job saving fairyland so keep going P1. Some of the books they read were Jack and the Beanstalk and Rapunzel. Thanks to Mrs Becket, Mrs Scott and students for letting us come and talk to them about it.

P3

Primary Three have been learning about the circus. They had a visit from the circus on Friday 22nd of February which all children thoroughly enjoyed. They learned how to spin a plate, use the diabolo and juggle. They had great fun. The whole school saw the circus that they performed. It was great and the whole school loved it. They also had a mini bike and performed tricks with it.
