

Friday 30th October

Right of the Month – Article 14 and 30

The right to practice our own culture, language and religion.

## Mrs Miller

Well, we hope that everyone enjoyed their school Hallowe'en as much as we did! We know that the children will be having a very different Hallowe'en and would just like to emphasise Govt advice that the children should not be out Gusing. Next week is Bonfire night and again, just to remind you that large mixed groups are not allowed under the current guidelines. As we move further into the winter term can I please remind you to ensure that all pupils come to school wearing a coat and that they have a layer or two to cope with the open windows!

Once again, you are a fantastically supportive and caring group of families and our school community is very grateful for that!

## COVID 19

We continue to follow government guidelines and safety measures to minimise health risks to all within the school community. We ask that you do not send your child to school if he/she is displaying any signs of the following symptoms:

- Continuous cough
- Fever/ high temperature
- Loss of or change in sense of smell or taste

If we feel that your child is displaying any of these symptoms at school, we will be in touch with you immediately and get you to take them home. We would then ask that you contact NHS to book a test for the child and then contact the school with the result as soon as possible.

# Head Lice

There have been a number of cases of head lice across the school. As this can spread easily, we would be grateful if you could check your child's hair regularly to assist in getting rid of these unwelcome visitors.
