

## Primary 1 Shark in the Park Home Learning Ideas

### Swimming Shark Activity

Make your shark swim

You need foil, marker pens, water and a straw.

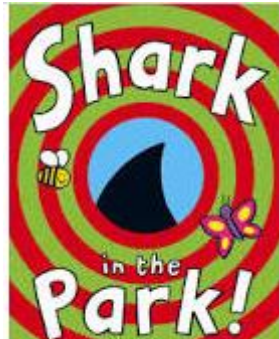

Fold the edges of the foil to create a box. Then draw your sharks on the bottom of the foil. Pour a little water into the foil box. Blow the shark with a straw and watch them move.

### Snack

Make a fishy snack

Listen to Nick Sharratt the author of 'Shark in the Park' read the story!

### Telescope Hunt

Make a telescope and go on a number or letter hunt. You could hunt for the letters in your name.

### Water play

Put some under water/ bath toys into a bowl of water and put them in the freezer. When frozen add them to a basin/bath of water and enjoy the fun.
